Asst. Director for Policy Coordination

15 January 1951

Deputy Director (Administration)

Mobilization Planning - Civilian Personnel Reserve Program

Reference: Memo for DD/A from AD/PC on above subject, dated 11 January 1951

1. Negotiations have been under way for several months with the Department of Defense in connection with the requirements indicated in the reference. Current developments in connection with policy determinations in the Department of Defense have made it impossible to obtain any suitable agreement on the subject. The Director has indicated that he will make this a matter for his personal action in the near future.

2. Security clearances in connection with this subject will be provided as soon as possible after necessary policy determinations have been made.
